SHOW SERVICES

Our show services group provides turn-key lighting solutions for corporate theatre, exhibits, concert, festivals, and both live & broadcasted events throughout the U.S.

Some of our clients work on the creative side. Others come from a technical background. They all turn to us for reliable, quality lighting for their most important events.

SHOW PREP

Technicians, gaffers, & programmers are welcome into our shop to prep. We provide a dedicate space, desk, printer, WiFi, and supplies.

LOGISTICS

We can manage trucking your gear to jobsite. Our vehicles are equipped with GPS tracking and for larger loads, we contract with white-glove tractor trailer courriers.

CREW

We love our crew, and you will too. These individuals are true professionals who care about getting the job done right, safely, and on time

Box Good Sales

Purchasing lighting equipment and supplies from a rental company ensures you've got support from people that actually use what they sell. In our case, we use lighting products in the field from all of the manufacturers we represent.

System Sales & Installations

Whether you're upgrading an existing lighting system or starting from scratch, you'll be amazed at the many benefits new lighting and control systems offer.

An investment now in cutting-edge lighting equipment will yield savings in energy and maintenance costs for years — All while drastically improving the look of your space.

Check out our line card and more about our sales division.
